

Resolution on a posthumous tribute to an invaluable man, Sebastián Piñera

The Centrist Democrat International (IDC-CDI) recalls the death a little more than two months ago of Sebastián Piñera, former president of Chile and close friend.

Sebastián Piñera's departure left a huge void in Chilean politics and the international community.

His exemplary leadership, his commitment to democracy and his tireless fight for social justice made him an unrivalled reference.

We fondly remember the moments shared with Sebastián Piñera, his closeness, his wisdom and his commitment to the values we defend. His legacy will live on as a beacon of hope and guidance for present and future generations.

In this moment of remembrance and reflection, the IDC-CDI expresses its most sincere condolences to the family, friends and the Chilean people. May they find solace in the legacy of dignity and leadership that Sebastián Piñera left as a legacy for future generations.

We will remember him not only as an exceptional political leader, but as a loyal friend and an exemplary human being. His absence is deeply felt, but his spirit will live on in our actions and in our hearts.

With his departure, the world lost an exceptional leader who dedicated his life to serving his country and the cause of democracy. Sebastián Piñera, left an indelible mark on the history of Chile, guiding his nation with wisdom and vision during two presidential terms. His commitment to democracy and social progress made him a leader not only in Chile, but throughout Latin America and the world.

The IDC-CDI pays tribute to the memory of Sebastián Piñera, and reaffirms its commitment to the ideals of freedom, justice and solidarity that he passionately defended.

May his example inspire us to continue working for a fairer and more democratic world for all.

Rest in peace, Sebastián Piñera!
