

Statement on the Ceasefire Between Israel and Hamás in Gaza

The Centrist Democrat International warmly welcomes the recent peace agreement that secures the safe return of hostages who were held by the terrorist group Hamas. We view this accord as a critical milestone toward fostering lasting peace and stability in the region.

This agreement offers hope for neutralizing the harmful influence of extremist forces, including the destabilizing role of the Ayatollahs in Iran. It lays the groundwork for a brighter future, one built on mutual respect, cooperation, and prosperity for both the Palestinian and Israeli peoples.

We remain confident that this development will strengthen the prospects for collaboration between Israel and Arab nations, paving the way for a more peaceful and united Middle East. The Centrist Democrat International reaffirms its commitment to supporting initiatives that promote dialogue, reconciliation, and sustainable progress in the region.
